CRIPPEN MUST HANG; PETITION IS DENIED

Home Secretary Refuses to Interfere—Ethel Leneve Visited Crippeo This Morning

London, Nov. 21.—The Crippen appeal has failed. The execution will take place Wednesday.

In declining Crippen's petition for a reprieve the Home Secretary simply stated that he declined to interfere with the sentence of the Court.

Ethel Leneve visited Crippen today, who was unaware that the petition had failed, as was Miss Leneve until just before entering the prison when she saw a newspaper placard intimating the news.

Afterwards Miss Leneve said Crippen was bearing up wonderfully well and quite resigned to his fate.

MOISSANT MAY LOSE BIG PRIZE

Royal Aero Club Protests—Says Money Should Go to Graham-White.

London, Nov. 21.—John B. Moissant, the death during his visit to the prize, the \$10,000 prize that he won during the International aviation tournament at Reims, France, Nov. 19, 1910, by flying over Brooklyn and around the Statue of Liberty.

It was learned today that the Royal Aero Club of England had lodged a protest with the International Aeronautical Federation against the award of the prize to Mr. Moissant.

The Royal Aero Club declares in its protest that the prize money should have gone to Claude Grahame-White, the popular English aviator.

Plans were started today for the holding of a special meeting of the international body in Paris next year to consider the protest.

The \$10,000 was offered by Thomas F. Ryan, the New York anti-millionaire.

CANNIBALS ATE ENTIRE PARTY

Fate of Scientific Explorers Who Landed From Ship Albatross Explained.

Victoria, B. C., Nov. 21.—The fate of the twelve members of the Austrian scientific party which landed from the ship Albatross in the Solomon Islands has been cleared up by the discovery that they fell victims of cannibals. Every man in the party was eaten.

This discovery, unraveling a fourteen-year mystery, was made by Dr. Robert Decler, of the South Sea Evangelical Mission.

Dr. Decler was told of the fate of the scientists by natives, who later took him to a secluded spot and showed him human bones—the remains of barbaric feasts.

The Albatross expedition was headed by Baron Von Notbeck. Other in the party were Lieut. Durbach, shipman de Beaufort and nine sailors.

Voliva Says Every Tenth Youth and Maiden Will Act as Missionaries.

Chicago, Nov. 21.—Every tenth youth and every tenth maiden in Zion are hereafter to be dedicated to the "Service of God," according to an announcement made by Wilbur Glenn Voliva in a sermon in the Zion City Tabernacle.

They will be sent out as missionaries. Voliva says his desire is to put the Church on a business basis, and has installed a card index system to show at a glance just how cash member status in the order of riches. He now wants \$27,000 to cancel a mortgage on Zion College building.

NEW CANDIDATE FOR ALDERMAN

Charles Gowan, 118 Richard street, who is the first candidate to offer himself for election to the city council. Aid. Lundy, who has announced his candidature for re-election, is the only other candidate in the aldermanic field, as yet.

Mr. Gowan has not announced his platform yet, but he states very emphatically that he has nothing whatever to do with the new municipal improvement league. He believes that there should be four or five municipal leagues in the city, and it is upon the request of the Riverdale ratapattens association that he is now running for alderman. A meeting has been called for Friday night in Riverdale when Mr. Gowan's policy will be made public, and his candidature formally announced.

Mr. Gowan has lived in Edmonton for six years, and has now retired from active business.

In Saturday's Capital it was stated that it was Mr. Clarence Gowan that was going to run for alderman. This is Mr. Charles Gowan's nephew, and the names were confused.

PROSECUTES COUGH.

Hamilton, Ont., Nov. 21.—A unique case was before magistrate Jeff this morning when George Dunn was prosecuted for coughing in the Baptist church. It appears it was not a natural cough but one stimulated to offend the minister. After hearing all the evidence Dunn was bound over to keep the peace. Rev. J. Allen prosecuted.

DR. WADDELL HERE

Dr. Waddell, chief engineer of the Alberta and Great Waterways Railway, and who was one of the most important witnesses in the Royal Commission inquiry, arrived in the city this morning. On being asked by the Capital if he was here in connection with the Great Waterways, he replied that he was in Edmonton on private business only. He declined to discuss the proposal of Premier Sifton to abandon the construction of the Great Waterways.

TOLSTOI DEAD

Astapova, Nov. 20.—Count Tolstoi died here this morning at 6 o'clock. He was unconscious for some time before the end came and did not recognize his wife, when she entered his bed chamber.

Tolstoi refused a reconciliation with his family, both his wife and children being denied entrance to his sick chamber until he lapsed into unconsciousness.

Count Lyof Nikolavitch Tolstoi, usually called Leo Tolstoi, novelist and social reformer, was born August 28, 1828, at Yasnaya Polyana, in the province of Tula, Russia. When 23 years old he entered the army and served in the Caucasus and in the defence of Sebastopol against the British and French allied forces. He first made a reputation in literature by a series of vivid sketches written from Sebastopol. When he left the army soon after the Crimean war, he devoted himself entirely to literature.

THE SILENCE

The same great silence broods o'er Oyster Bay As reigned when Dr. Cook first went away.

—New York World.

New York, Nov. 21.—"Not a word; not a word," said Col. Theodore Roosevelt, in answer to a question as to what he thought of the recent election, when he returned to his magazine labors today for the first time since November 8.

WILL DECIDE WHETHER TO FRAME TICKET OR NOT

A meeting of the executive of the Municipal Improvement League is to be held at 7:30 this evening in Griesbach and O'Connor's offices, when a decision will be reached as to whether the league will place a ticket in the municipal field at the coming elections. If it is decided to do so, a tentative ticket will be drafted.

PRESBYTERIANS CALL ASSISTANT

Rev. Calvin McQuestin of Hamilton to Come to First Presbyterian Church.

At a meeting of the Directors and Board of Managers of First Presbyterian Church last evening it was decided to ask Rev. Calvin McQuestin, of Hamilton, to supply the place of assistant to Dr. McQuestin, who is resigning. Mr. McQuestin, who is now in Hamilton, spent some time in news-letters with two members on the Toronto News and two years on the Montreal Herald, after deciding to enter the University he graduated from Toronto in 1906, after which he took his theological course in Knox College, Toronto. He has had ample experience in home mission work, having spent a year preaching in Southern Alberta and the last four summers in Southern Saskatchewan, and should be well equipped for his work in Edmonton.

CHINESE WAGE WAR ON OPIUM

Huge Petitions to Be Presented, Asking Britain to Abrogate Two Treaties.

Washington, Nov. 21.—What is described as a "monstrous" petition being driven up by the Chinese urging Great Britain to abrogate the treaties with China which permit British interests to engage in the opium trade. Word to this effect has been received here by the International Reform League from its field secretary in Peking.

The petition, which the exiled Chinese government will be a document of enormous proportions, will be signed by thousands of Chinese, and should be presented to the British and Chinese governments.

There are two treaties in existence between China and Great Britain, the first being signed by the two countries in 1842, and the second, which admitted France on equal terms with England, being signed in 1858. While practically all the nations of the world have joined in the crusade on the opium traffic, it is declared that it is far from being abolished, although it does not flourish as in the past.

It is charged that the existence of the treaties in question afford legal cover for British and French interests to engage in the traffic in China. It is to remove such excuses that the Chinese petition is being drawn up and is declared, for presentation to the governments in London and Peking.

REIGN OF TERROR IN ROCHESTER, N.Y.

Rochester, N. Y., Nov. 21.—Three murders within ten days have caused a reign of terror in Rochester. Patrick Lyons, a Frenchman, was shot and killed by Charles Murphy, of Geneva, N. Y., were arrested today in the latest case. Lyons was a grocer, who was shot to death as he was closing up his store last night.

The police are baffled by the case, because Schuchart had a roll of \$100 in currency in his pockets and the cash register was not touched. Schuchart was still alive when found lying behind the door of his store, but he died when he was taken to the hospital.

They Quite Refuse to Attend Divine Service Unless Solists Are Provided.

Guelph, Ont., Nov. 21.—A city minister claims that the prison inmates will not attend Sunday services unless there is a band or special solists present. When the Protestant minister goes out to speak to them he finds that a surprisingly large number of them are Protestants.

MEXICAN WAR IS PROBABLE

SOME SERIOUS RIOTS OCCUR

El Paso, Tex., Nov. 21.—One hundred persons were killed in riots which took place at El Paso, Texas, in the interior of Mexico, opposite Tampico, Saturday night. Soldiers fired into a struggling body of rioters with disastrous effects. The loss of life may reach five hundred.

Washington, Nov. 21.—While only the most frenzied jingos anticipate a real conflict between the Republic of Mexico and the United States, military experts are studying the situation carefully today and preparing for any eventualities. It was well understood here that if any rupture between the two countries comes it will be due to the utmost efforts of President Diaz, who is recognized as a thorough friend of the Americans. What the anti-Diaz forces will be able to bring about is a matter of uncertainty, although it is recognized even in official circles that the situation is strained.

READ NOVEL; SEEKS DEATH

Girl Read "Ashes of Empire" and Concludes Life is Ashes For Her.

St. Louis, Mo., Monday, Nov. 21.—After reading Robert W. Chambers' novel "Ashes of Empire," Miss Elsie Rein concluded that life was ashes for her and so she tried to kill herself. She had taken part in the siege and had often talked about it. The book fascinated the girl.

A poem, in connection with the preface, bearing the same caption as the book, strikes the keynote of the effect which the book had upon her. It closes with these words:—

"Ashes of oaths and vows and prayers and lies; Ashes of foul, knave and worldly-wise; Ashes of empire under ashes skies."

Montana Changes Mind in Regard to Proposed Buffalo Hunt of Pablo Herd.

Winipeg, Nov. 21.—Word was received here that the Montana authorities have entirely changed their attitude towards the proposed hunt by Canadians of old bulls of the Pablo buffalo herd. These animals are striking terror throughout the Flatbush reserve near Missoula, Mont., running amuck and even tearing down buildings. Montana will be glad to have them exterminated.

PLASTERERS END THE STRIKE; DO NOT RECOGNIZE EXCHANGE

Will Go Back to Work, But Refuse to Sign Any Agreement With Builders' Exchange.

The plasterers' strike finished on Saturday night by an agreement between the men, who agree to go back to work, and to be signed with individual contractors only. The agreement was the outcome of the refusal of the Builders' Exchange to enter into negotiations, when communicated with on Friday morning. An agreement drawn up as favorable to the plasterers, they refused to assent to the letter sent them by the plasterers.

Friday evening they were again approached by the Building Trades Council, but again turned down the advances.

The striking plasterers went back to work this morning in large numbers and the building trade in the city is moving along once more. It was felt on Saturday that something was doing and the meetings held during the day were well attended.

The plasterers decided at their meeting to continue the fight against the Builders' Exchange, but to work for absentees of several days. Mr. Bennett, returned to the capital this morning from Calgary, after a tour of several days. Mr. Bennett declined to express an opinion on the proposal of Premier Sifton to announce the Waterways Railway, saying that he would wait until the premier announces his policy in public.

FARMERS ENGAGE IN SPARROW HUNT

London, Ont., Nov. 21.—Seventy-four young farmers in the neighborhood of Hyde park have been engaged for a week in an elaborate sparrows hunt. The chase ends tonight, and the losers are to provide an oyster supper and a dance. Interest in the hunt is keen through all the countryside. J. S. Armstrong and D. Sloan are captains, with 37 men on each side, and each is keeping secret the number of birds killed. The figures, however, run into thousands, it is understood.

SAY PATIENT WAS SUICIDE

Wife of Man Killed by Fall at Misericordia Hospital, Brings Suit.

FELL FROM THIRD STORY

Plaintiff Claims Death Was Due to Negligence—Asks \$5,000 Damages.

The death of Wm. Barker on March 21st last at the Misericordia Hospital was the origin of a suit brought by Mrs. Addie Barker against the sisters of Misericordia in the Supreme Court this morning. Dr. Campbell, in the witness box, stated that he had been called early on the morning of the 21st of March, to attend to this patient who had been ill with typhoid, suffering from a broken leg, gashes about the head, and other wounds from which he was bleeding profusely. Asked as to the cause of the injuries he stated that "they would not come in the ordinary course of typhoid."

"Yes, we admit," said C. C. McCaul, counsel for the defense "that such injuries would not be caused by typhoid."

The patient was visited by friends on the previous evening and seemed to be perfectly rational, conversing on his homestead and other interests. Being possessed of a strong constitution there seemed to be no danger of complications and the doctor expected merely the ordinary run of typhoid. During the course of the night, however, he got out of bed and jumped or fell from the window which resulted in the injuries he died the following morning.

The plaintiff claims that the authorities were directly responsible for his death in failing to secure him adequate attention and neglecting to take precautions in case delirium manifested itself. The defense claims that was deliberate suicide committed while entirely rational.

J. C. McCaul, K.C., appears for the plaintiff; C. C. McCaul, K.C., for the defendants. The amount of damages asked is \$5,000.

WANTED THE RING BUT NOT HIS WIFE

Guelph Man Follows Her to Detroit—Has No Desire for a Reconciliation

Detroit, Nov. 21.—J. P. Doherty, a Quebec salesman of Guelph, Ont., is here in search of his wife, Pearl Doherty, who left him November 21, after a married life of five weeks. Doherty located his wife at the home of her sister and brother-in-law, while he was on the road, taking with him a valuable diamond ring and a sum of money.

Mrs. Doherty informed the Inspector that her husband told her she had a ring to show him. She had sent him the ring, valued at about \$15, as requested mail. Doherty departed saying he would return with the money, which he said he had, and declaring that he had no desire for a reconciliation.

MANY BILLS TO WORK ON

House Will Have Lots of Work to do This Afternoon

J. K. Cornwall's bill respecting the Canadian Northern Western Railway, which has been considered in the railway committee, will be reported back to the house this afternoon for third reading. If the bill passes the third reading this afternoon it will be given assent to-morrow.

Mr. Bramley-Moore's resolution to seek from the Dominion government the right of administering affairs relative to the resources of the province is slated for discussion in the legislature this afternoon. It is expected that Mr. Bennett will speak on the resolution. The bill to be given a second reading this afternoon are the Provincial Loans act introduced by Premier Sifton; the acts respecting tenure and compulsory school attendance, and witnesses and evidence, introduced by Mr. Mitchell; and the act respecting charges contained in certain instruments, introduced by Mr. Marshall. The Alberta University bill will also come up this afternoon.

The Provincial Loans Act provides for the creation by the Lieutenant-Governor in council of a permanent provincial stock which shall be known as the Alberta Government stock. The stock and the interest thereon being charged to the general revenue fund. According to the bill the stock will not be redeemable in less than thirty years from date of issue, but may be redeemed on or after that date at the option of the Lieutenant-Governor in council. The bill also deals with regulations as to the debt and the payment of interest, regulations as to the raising of funds provided for by the legislature, and provides for the changing under certain conditions the form of any of the public debts.

Brides Will Have to Pay

Berlin, Nov. 21.—It is understood that that section of the German tariff law which allows the transients of brides and wedding presents to be free for foreigners or Germans who have lived abroad two years, to enter Germany free of duty, will be abrogated so far as Americans are concerned. This action is a hit back at the drastic enforcement of the customs law on the part of New York by Collector Loeb. It is claimed that he has exhibited an entire "lack of reciprocity," and Germany wishes to be treated meekly submit to it without retaliation.

STARS MAY FORM OUTLAW HOCKEY LEAGUE IN THE EAST

High-priced Pros Are Very Indignant at Suggestion of Lowering Their Salaries and Threaten to Jump Their Contracts—Prospects are Bright for a Merry War.

(Special to the Capital)

Ottawa, Nov. 29.—Last Saturday witnessed the closing of the regular football season and although a certain interest is maintained throughout the entire east as to the ultimate winners of the Canadian titles, the gridiron warrior must now give way to the hockey star, and with the ice already forming in the creeks and rivers, the annual meeting of the National Hockey Association which was held on Saturday, scirs to action every enthusiast of the greatest sport in the world, hockey.

The Salary Limit
The annual gathering of the National Hockey Association of Canada marks an epoch in the history of the winter pastime, and with the installing of a paid president and the levying of a salary limit, Eastern Canada magnates are for the first time, endeavoring to put hockey upon a solid basis, one that will withstand the trials and tribulations of a stormy season such as was witnessed last winter when two new leagues were born and one, a major body, went under as a result of the kaleidoscopic changes which were effected. Ottawa, Wanderer, Shamrock, Renfrew, Quebec, and the Canadian clubs have retired, Coback and Halleybury, as predicted in this letter weeks ago, dropping out because of the fact that the company was too far from them.

Among the Amateurs
Not only did the pros, reorganize, but the interprovincial amateur hockey association, the leading amateur league in the east, made material changes that will result in much better success for that circuit. The Toronto Amateur Athletic Association, dropped the Ottawa Seconds being admitted to fill the vacancy. This will make the league much more compact, while the quality of hockey will be greater, the Ottawa Seconds being a much better team than the Queen City aggregation.

Several sections of this league are probable, and with the St. Lawrence league willing to affiliate, and the Manitoba amateurs also wishing to be annexed, it only remains for the formation of a Central Ontario circuit, to complete a chain of the greatest amateur hockey in the world.

THE BIG BONSPIEL WILL BE HELD IN EDMONTON JAN. 18

Is Expected to Last for Seven Days—Various Committees Appointed to Arrange Details—John Dewar is Secretary—Over 400 Curlers are Expected Here for the Biggest Event of its Kind Ever Held in Alberta.

"If there is any dependence to be placed in indications, you are in for the biggest thing of its kind ever held in Alberta."

This was the very pleasing message received by President Sheppard, from the secretary of the Alberta branch of the Royal Caledonian Curling Association.

The seventh annual bonspiel of that association is to be held in Edmonton this winter, and the bonspiel executive, which consists of representatives from the Twin-City clubs, met at the Granite Rink, where a great volume of preliminary business was transacted.

W. H. Sheppard, Southcoast, president of the Alberta branch was in the chair, while those representatives present were:

Strathcona—W. H. Sheppard, W. G. Condon, A. J. McLean, R. J. McDonald, T. W. Walsh.

Granites—M. McCauley, J. Dewar, J. Ross.

Capital City—A. C. Fraser, R. M. McGovern and H. W. Martin.

Mr. John Dewar was unanimously chosen as bonspiel secretary, his work in the Twin City pool last winter having gained him an enviable reputation in handling the onerous duties.

The matter of the dates for the event was quickly settled. On motion of

Wainwright District—All points on the G. T. P. east of Edmonton, to the boundary. Umpire: Mr. Ross, Wainwright.

Athabasca Landing District—That town and all points north.

To Keep Out Cold
Mr. Minclon, of Calgary, while over in Glasgow last summer, gathered in a few prizes for the big bonspiel. Mackie Bros., of the Scotch city, have donated a pair of curling rocks and a case of a very popular brand of Scotch whisky.

The Calgary Curling Club, having won the Burns' trophy four times in six years, it has become the property permanently, so Secretary Blair will be asked to interview Mr. P. Burns in regard to a renewal of this gift.

Mr. Martin stated that if another trophy was needed for the open events he thought the General Fire Insurance Co., of Perth, Scotland, which numbered many ardent curlers among its directors, might be prevailed upon to present some silverware.

The open events are already well-provided for, so the executive will not be able to avail themselves of Mr. Martin's kind suggestion.

Expect Immense Crowd
It is expected that nearly 8000, making in all 400 curlers, will be in the city at the big event. There are 13 sheets of ice in the Twin Cities, made up as follows: Capitals, 6; Granites, 4; and the other clubs, 3. So by having 5 draws every day the competitions should all be finished in six or seven days. The opening draw will be made on Tuesday, January 17th.

Mr. Fraser informed the meeting that some rinks as yet are not open, and that the curlers must be expected. Mr. Goldie of Guelph, when in the city last summer, stated that the curling rink in London will be made on Tuesday, January 17th.

The Bonspiel Committee
In order to get right down to business the following chairman for the bonspiel committees were appointed: Advertising committee—J. Mac.

Finance and Prize committee—J. Mac. Thon.

Ice committee—Will be composed of the ice committees of the Twin City clubs.

Entertainment committee—Chairman W. H. Sheppard, along with the presidents of the Twin City clubs.

Dinner Committee—The Capitals, Granites, and Strathcona will each have a representative, preferably a member who is not curling in the bonspiel.

The officers of the Alberta branch of the Royal Caledonian Association are:

Pretoria—Hon. C. W. Cross, Edmonton; S. S. Savage, Calgary.

President—W. H. Sheppard, Strathcona.

Vice president—E. H. Teller, Calgary.

Second vice-president—M. C. Macleod, Macleod.

Chaplain—Rev. H. R. Grant, Fernie. Sec-Treas—S. J. Macleod, Calgary.

The Trophies
At the annual bonspiel the Association has six trophies for competition. The Grand Challenge, the gift of Taylor, Deas Co., the Tackett, the Brewster, the Burns, the Vectors, which is presented by the Taylor Milling Co., and the Consonation which is the gift of the Standard Soap Co.

NEW MARKS SET AT THE Y.M.C.A.

Cameron Tossed the 8-lb. Shot Over 51 ft. While McCormack Ran 50 yds. in 6 1-5 sec.

The local indoor record for the 50 yard dash was broken on Saturday afternoon at the Y. M. C. A. when McCormack navigated the distance in 6 1-5 sec. The best previous record was 6 2-5 sec., made by White last Wednesday.

John Cameron also did things with the 8 lb. shot. The browney policeman tossed it 51 feet 4 inches, and the fact that a brick wall intervened was the only thing that saved him from securing a mark of about 55 feet. When it is known that the maximum figure is the 8 lb. shot event in the local indoor contest is 40 feet, it can be easily seen what a whale Cameron is at the shot-putting game.

Cameron's mark in the three events he participated in on Saturday were: 8 lb. shot, put, 51 ft. 4 in.; 100 yard dash, 13 2-5 sec.; standing broad jump, 8 feet 1 1-2 inches.

McCormack made the following times and distances: 50 yard dash, 6 1-5 sec.; 100 yard dash, 12 4-5 sec.; standing broad jump, 8 feet 5 in.

John Cameron now leads in the total number of points with 545. White, 512, and Hammond, 502, are the next in line.

Wetaskiwin District—All towns on the Wetaskiwin branch of the C. P. R., including Wetaskiwin, east to the boundary. Umpire: Wm. Carruthers, Wetaskiwin.

Vegreville District—All points on the C. N. R. east of Edmonton, including Lloydminster. Umpire: Dr. Archer, Vegreville.

CALGARY GETS THE PENNANT

It Was Decided to Settle the Flag on the Straight Basis of the Entire Season.

Lethbridge, Alta., Nov. 19.—The meeting of the board of control of the Western Canada Baseball League opened here this morning, all clubs being represented except Winnipeg and Saskatoon. President Ekstrom presided and but very little was done before adjournment.

The financial statement was taken up, showing that Winnipeg, Edmonton and Calgary were the winning clubs financially.

President Middleton, of Calgary, came down loaded with all sorts of legal documents to persuade the board to resolve President Ekstrom's decision on the game that gave the pennant for the latter series to Edmonton. It was still under discussion at adjournment.

Lethbridge, Nov. 20.—At three o'clock this afternoon the W. C. B. board awarded the pennant to Calgary. The motion to reverse President Ekstrom's decision on the game at Calgary resulted in a tie and Edmonton thus won the second series.

The board decided to award the pennant on the straight basis of all games, for the whole season. Figuring this out it was found that Calgary had a percentage of 701 and Edmonton 659. The motion giving the pennant to Calgary was passed unanimously.

The national commission, having given the Union league the option of Montana territory, there was nothing decisive to be done on the international question, though Western clubs were favorable towards it. A communication from Helena stated that they were out for the international project or none at all.

A Saskatchewan-Alberta league was debated and found favor, Delegate Shuster said he could look for Regina coming in. It was decided to leave the questions over until a meeting to be called between January 10 and 20 next at Calgary. Other important subjects under discussion were raising league guarantee to \$75; rain guarantee to \$60, admission to 50 cents, left over till January.

Calgary has the flag, but the now famous query "Who turned the heat on the diamond?" has never been answered. It will be put away in the archives along with the other classic "Who his Billy Patterson?" and "Has Anybody Here Seen Kelly?"

McGANNON IS IN BIG DEMAND

St. Mary's of Calgary, Claim Him for the Provincial—He Also Figures in City League.

At McGannon, who last year started as rover on the Deacon's City League champions, is now one of the most-talked-of players in Calgary amateur hockey circles.

According to a review of hockey prospects in the south, every team in Calgary is claiming to have the elusive Mr. McGannon. There must be some mistake in the following extracts from the Alberta regarding Mac's place of employment. Key: Hotel would sound more likely.

McGannon, of Edmonton, who has been signed by St. Mary's, is the best known of the new men. Mac is now in Calgary, and is employed at the Royal Bank. McGannon for two or three seasons was one of the mainstays of amateur hockey in Edmonton. Two years ago he played for the Edmonton seniors and last winter was a member of the Deacon's. He is a very fast skater and stickhandler, and a deadly shot. He plays equally well at rover or centre.

McGannon, late of Edmonton, and now employed at the Royal Bank, Calgary, has promised the St. Mary's club to play in the provincial league. The Saints' coach, however, has said that he will play for his old comrades in the city league.

"Capitol" Beer vs. "Budweiser"

We big to inform our many patrons that we are using a temporary label for our "Capitol" Beer as an injunction has been granted by the Courts restraining us from using our original "Capitol" label pending our law suit with the Anheuser-Busch Brewing Association, of St. Louis, Mo. The quality of "Capitol" however will be just the same, or better if we can make it so; and judging from the demand we are sure that our patrons know from experience that it is the BEER and not the label that has made "Capitol" so widely popular.

MUNSON ADDITION

BETTER KNOWN AS FOX COULEE

THE greatest opportunity ever presented to the investing public of Edmonton! A glance at the key plan above will show that Munson Addition is a bona fide proposition. The C.N.R. Townsite is within one block of this property and their prices range from \$700 to \$1,500. Compare these with ours!

Munson is the Divisional Point on the Vegreville to Calgary extension as well as being the Junction of the Goose Lake extension from Saskatoon. The third line of the C.N.R. from Regina to Calgary will cross the Red Deer line at this point also. This will make Munson the greatest railway centre of all the new towns on the different lines of railway.

Munson is right in the heart of one of the best Agricultural Districts in the Province. Every quarter section for miles around is homesteaded and there is no land for the speculators or large corporations to acquire, thereby retarding the development of the country and consequently the growth of the town as has been the case at other points.

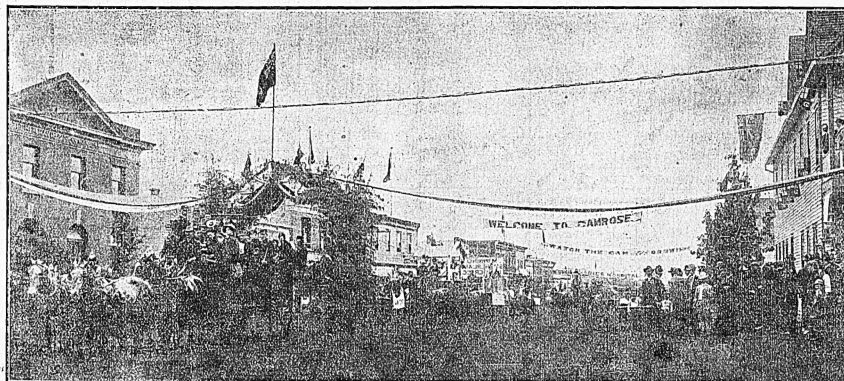

Munson has two Banks, two Drug Stores, six General Stores, three Lumber Yards, two Livery barns, two restaurants, and two Hotels under course of construction. We will offer Munson addition for sale on Monday, the 21st instant. Sale opens at 10 o'clock a.m. Prices from \$75.00 up. Terms 1-3 Cash, Balance in 6, 12 and 18. Don't hesitate! Be sure and get in on the ground floor at first prices.

What Camrose Offers to the Shrewd Investor

UNLIMITED OPPORTUNITIES FOR CAPITAL—Banks and Capitalists show unbounded faith in Camrose by establishing branches there, thus Camrose offers greater combined advantages than many of the larger and older Western Cities for investments of capital and enterprise, and nowhere in Camrose is there such a great opportunity for investment as the unsold portion of Camrose townsite, located as it is in the heart of the town. This property will increase in leaps and bounds, being built up as it is with the best residences in Camrose. So do not lose this opportunity of getting in on the balance.

"There is a tide in the affairs of men which taken at the flood leads onto fortune."

Shakespeare must have intended buying in Camrose when he used these beautiful and true words.

WHEAT BELT AND MIXED FARMING COUNTRY—Surrounding the town of Camrose on all sides are acres and acres of rich farming lands. Probably no town in the west has such adistrict, so exceptionally fertile to draw from. Camrose is a young town; the district tributary thereto is newly broken and has wonderful room for development. Nature has placed the resources there which guarantee that the Camrose district will support a large and thickly populated community. North, east, south and west smaller towns will bring their trade to Camrose because they can be served more quickly and more cheaply. On account of its unique position Camrose is rapidly becoming one of the principal points in Western Canada, which will feed the empire with grain and cattle.

TO MAKE THIS PROPOSITION DOUBLY PROFITABLE AND INTERESTING, WE ARE HAVING

GUESSING CONTEST

which will take place with the Auction Sale of the unsold portion of the Camrose Townsite. As previously advertised, on Saturday last at Twelve o'clock a small glass bottle was filled publicly with large and small beans, and responsible firms, namely, The Crystal Palace Clothing Company, American Shoe Store, Dobet and Co., Edmonton Drug Co., and Edmonton United Aids have placed their seals, and is now on view in our windows 63 McDougall Avenue, South.

CONDITIONS

The purchasers of lots at this sale will have one guess for every lot purchased at the number of beans in this bottle. The opening of the bottle and the winners of the prizes will be made known immediately after all the 450 lots have been sold. The date and time of opening the bottle will be advertised and a committee of several of the purchasers will be asked to witness the counting of the beans, when the nearest guess to the correct number of beans will receive the prizes in order respectively. Should two guess the same number the value of the prize will be divided for prizes.

tional House corner, where the joyful clerk brandished his pitchfork. Glimpse slowly, he almost touched the plying one as he passed, and the clerk, already rehearsing in his mind the honors which should follow the brave stroke, raised the tines above the little dog's head for the coup de grace. They did not descend, and the daring youth failed of fame as the laurel almost embraced his brows. A hickory walking-stick was thrust between his legs, and he, expecting to strike, received a blow upon the temple sufficient for his present undoing and bezelment.

He went over backward, and the pitchfork (not the thing to hold poised on high when one is known down off with the force he had intended for Respectability upon his own skin.

A train had pulled into the station, and a tired, travel worn young man, descending from a sleeper, walked rapidly up the street to learn the occasion of what appeared to be a riot. When he was close enough to understand its nature he dropped his bag and came on at top speed, shouting loudly to the battered moulter, who tried with his remaining strength to leap toward him through a cordon of kicking legs, while Eugene Hantry again called to the policeman.

"If he does, d-n you, I'll kill him!" Joe saw the revolver raised, and then, Eugene being in his way, he ran full tilt into his stepbrother with all his force, sending him to earth, and went on literally over him as he lay prone upon the asphalt, that being the shortest way to Respectability. The next instant the moulter was in his master's arms and weakly licking his hands.

But it was Eskew Arp who had saved the little dog, for it was his stick which had tripped the clerk and his hand which had struck him down. All his bodily strength had departed in that effort, but he staggered out into the street toward Joe.

"Joe Louden!" called the veteran in a loud voice. "Joe Louden!" and suddenly recoiled. The colored man and Eugene Bucklew were making their way toward him, but Joe, holding the dog to his breast with one arm, threw the other about Eskew.

"It's a town—it's a town!" the old fellow flung himself free from the supporting arm—"It's a town you couldn't even trust a yellow dog to!"

"It's a town—it's a town!" the old fellow flung himself free from the supporting arm—"It's a town you couldn't even trust a yellow dog to!" He sank back upon Joe's shoulder, speechless. An open carriage had driven through the crowd, the colored driver urged by two ladies upon the

back seat, and Martin Pike saw it stop by the group in the middle of the street where Joe stood, the wounded dog held to his breast by one arm, the old man, white and half fainting, supported by the other. Martin Pike saw this and more. He saw Ariel Zubor and his own daughter leaning from the carriage, the arms of both playfully extended to Joe Louden and his two burdens, while the stunted and stilly crowd stood round them staring, devoid of dust settling down upon them through the hot air.

CHAPTER XX.
NOW, in that blazing noon Canaan looked upon a strange sight—an open carriage whirling through Main street behind two galloping bays, upon the back seat a ghostly white old man with closed eyes, supported by two pale ladies, his head upon the shoulder of the taller, while beside the driver a young man whose coat and hands were bloody, worked over the harness of a injured dog. Sam Warlen's whip sang across the horses; latter gathered on their flanks, and Ariel's voice steadily urged on the paces, "quicker, Sam, it you can." For there was little breath left in the body of Eskew Arp. Martin, almost as white as the old man, was silent, but she had not hesitated in her daring now that she had been taught to dare. She had not come to be Ariel's friend and honest follower for nothing, and it was Martin who had cried to Joe to lift Eskew into the carriage. "You must come, too," she said. "We will need you. And so it came to pass that under the eyes of Canaan Joe Louden rode in Judge Pike's carriage at the bidding of Judge Pike's daughter.

YALE HELD THE CRIMSON TO A TIE

The Blue Played a Wonderful Defensive But Could Not Make Gains Through Harvard

New Haven, Nov. 21.—Yale came back Saturday sufficiently to hold a stronger team to a scoreless tie for the first time in the history of the Yale field. The Harvard team was not quite aggressive enough to get Yale's goal line, and in the last period, the Crimson had a good chance for a field goal from Yale's fifteen yard line. Harvard chose to rush and lose the ball immediately after a fumble. This was the nearest that Harvard came to scoring. A few minutes later, Yale by good kicking got the ball on Harvard's 35-yard line and in the last two minutes of play, Captain Day failed at a field goal, by twenty feet. Yale played a wonderful defensive game, but could make few gains in the succession through the Harvard line. Although the game ended quietly close follower of the sport gave Yale the credit of the contest, while Harvard followers were bitterly disappointed. Harvard won the toss, taking the first kick and the wind, giving the Blues the kick-off.

HAD KIDNEY TROUBLE.

COULD NOT CROSS THE FLOOR
PAIN WAS SO GREAT.

Miss Hazel Hess, Winchester Springs, Ont., writes: "I was troubled with my kidneys for five years. They were so bad, at times, I could not cross the floor for the pain. The doctor could not do me any good and a friend advised me to use Doan's Kidney Pills. I bought a box and now I have been cured for over four years. I will recommend them to every sufferer."

No man can be strong and healthy unless the kidneys are well. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to filter out of the blood are left in the system. Then how important it must be to see to it that this system of sewerage be not clogged up.
Doan's Kidney Pills are a purely vegetable remedy, realizing the most permanent relief, without any after ill effects. A medicine that will absolutely cure backache and all forms of kidney and bladder trouble.
Doan's Kidney Pills are 50c. per box or 3 for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
If ordering direct specify "Doan's."

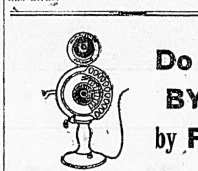

VARSITY MADE MEAL OFF T.A.A.C.

The Final Score Was 22 to 3—Next Saturday Varsity and Tigers Meet.

Toronto, Nov. 21.—Twenty-three points to three was the score piled up against the T.A.A.C. by the Varsity football team in the semi-final championship game on Rosedale field, Saturday afternoon. It was the Varsity-Queens match over again. Varsity's speed was too great for their opponents, while their trick play bewildered the T.A.A.C. men who again and again lost sight of the ball. Scored more than two minutes after play began Varsity went over the line for a touch which was easily converted. Three more points were made on rushes, the quarter ending Varsity 9, Toronto 0. In the second quarter Varsity added 7 points, while Toronto made 3, their final score. Varsity added 8 more points in the third quarter, making the score 22 to 3. The last quarter saw no scoring. Varsity will play the Hamilton Tigers at Hamilton on Saturday next for the Canadian championship.

R. M. C. DEFEATED VARSITY
SECOND.
Peterboro, Nov. 21.—The football team from the Royal Military College, Kingston, defeated Varsity second team here Saturday afternoon, winning the Intercollegiate Intermediate championship. The score was 6 to 2. Varsity made no score until the final quarter. There was no touch-down in the entire game, the scoring being entirely due to rushes and dead line kicks.
